## SUMMARY

I'm a deeply-focused, behind-the-scenes software engineer and web developer, with the technical skills to conceptualize and deploy sophisticated applications and the communication skills to pinpoint the real needs of my clients and peers in a meaningful way. Together, we can make the best, most personal version of your product.

## SKILLS

HTML/CSS/JavaScript, Bootstrap, Bulma, jQuery, Node.js, Express.js, React, Jest, mongoDB, PostgresQL, Ruby on Rails, socket.io, WebRTC, Git, Python

## EXPERIENCE

**General Assembly, New York, NY**                                                   July-Oct 2020
**Software Engineering Fellow**
- Participated in 12-week immersive program in web development, utilizing JavaScript, React, and Ruby
- Developed full-stack CRUD web applications using relational and non-relational databases
- Selected by instructors as leader/code owner for group unit project
- Nominated and won multiple colleague-voted awards for "Most Helpful" and "Toughest Problem Solver"

**Freelancer, New York, NY**                                                         2010-Present
**Studio Sound Engineer/Production Sound Mixer**
- Led post and production sound teams as a key/department head for film, TV, and commercials
- Clients include Comedy Central, ESPN, Vice, Uber, Metropolitan Museum of Art

**Killingworth Sound Studios, Killingworth, CT**                                      2013-2016
**Staff Engineer**
- Served as Lead and Assistant Engineer on recordings for clients
- Clients include 4AD Records, The National

## PROJECTS

**Coffeetalk** - Real-time video chat application utilizing WebRTC, socket.io, MERN, and React-Bootstrap to connect coffee roasters and international coffee farmers

**Pizzafreak** - Pizza-themed, browser-based memory game utilizing HTML, CSS, JS, and jQuery for front-end DOM manipulation

**Harvard Art Museum** - Full-stack MERN application utilizing Harvard Art Museum's API (selected as Group Leader/Code Owner for the project) to build a collection of a user's favorite pieces

## EDUCATION

**University of Southern California, Los Angeles, CA**                                2003-2008
Bachelor of Music, Music Industry
